March 20, 2015

SUMMARY OF BILL: Prohibits any local government entity from publicly disclosing the social security number of any citizen of this state, except for certain specified circumstances. Subjects any person receiving a social security number from a local government entity to be subject to the same confidentiality provisions as the disclosing local government entity.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- This bill does not impact state government.
- It is unlikely that any local government entity is purposefully and publically disclosing social security numbers of any citizens under current law.
- To the extent any local government entity will publish social security numbers in the future under current law, the fiscal impact of this bill as a result of prohibiting any such publication is estimated to be not significant.
